STILETTO® Color Launch – Limited Edition Colors, Create Your Custom TIBONE™ 15oz

For a limited time, the STILETTO® TIBONE™ 15oz Milled/Curved Titanium Hammer is available in three limited-edition colors: Black, Army Green, and Gold - each features a durable coating designed for long-lasting wear. For ultimate customization, pair a limited-edition color with multiple grip colors to create a custom look that stands apart on any jobsite. This iconic all-titanium hammer is designed for professional framers, delivers 45% less weight, and is ideal for framing and pulling nails. With a replaceable milled or smooth steel face, 180° side nail puller, and magnetic nail starter, this hammer is built for superior nail driving control and easy maintenance.
